AMEND Senate Bill No. 2428

House Bill No. 2178*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 39-13-902(a), is amended by adding the following as a new subdivision:

(22) If the image is captured by the Tennessee emergency management agency, created in § 58-2-104, for emergency management purposes, including surveying the scene of a catastrophe or other damage to determine whether a state of emergency should be declared, coordinating a disaster response, and conducting preliminary damage assessments of real property and infrastructure following a disaster. An image of a person or thing on private property captured by the Tennessee emergency management agency pursuant to this subdivision (a)(22) is deemed to be an image captured incidental to the lawful capturing of an image for purposes of § 39-13-905.

SECTION 2. Tennessee Code Annotated, Section 39-13-902, is amended by adding the following as a new subsection:

(c) An image captured pursuant to subdivision (a)(22) for the purpose of damage assessment may be retained by the Tennessee emergency management agency for no longer than one (1) year or, if the disaster is later declared a major disaster by the President of the United States, for the retention period required by the federal emergency management agency for data related to damage assessment. All images captured for any other purpose shall not be retained by the Tennessee emergency management agency for more than fifteen (15) business days.

SECTION 3. This act takes effect upon becoming a law, the public welfare requiring it.
